ABOUT ME

I consider myself a flexible and responsible individual who performs well under pressure. I am creative, have a positive mindset, and enjoy working with people. I thrive on challenges and am always open to new experiences. I also have a strong passion for coding whether it's solving problems or building something from scratch, I find great satisfaction in turning ideas into functional solutions.

EXPERIENCE

Junior Front End Developer
Freelancer
2022-2025

- Developed responsive websites using HTML, CSS, TailwindCSS, JavaScript, and React.js .
- Completed and optimized client projects, improving performance and user experience
